

## QUALITY POLICY

### **BAMAREC's commitments :**

- . Purchase customer satisfaction by targeting for zero defects, and cost reduction
- . Enforce internally defined course of action
- . Rigorously manage the system to achieve objectives
- . Share our Quality Policy with our staff and partners

### **The following principles are applied :**

- . Adapt our System to Business Evolution
- . Adapt resources to these developments to ensure system effectiveness
- . Ensure quality of our products through controlled processes
- . Explain and enforce the rules and standards of our Quality System
- . Making Improvement Continue to be everyone's concern
